March Payment Due Today

If your payments are up to date, today's payment will bring you up to the \$1,950 mark. We're already having to make payments for things at this point (like flights, hotels, bus, etc.), so it's very important you stay current with your payments. Thank you.

Tour Handouts

Hard to believe, but in just a little over three months we will be presenting our HOME CONCERT, then embarking on TOUR 2012 TO EUROPE! You'll see so much as we visit Paris, Normandy, Florence, Pisa, Venice, Siena and Rome! We want very much for you to *pay attention*, and know and appreciate what you'll be seeing and experiencing, sooo . . . starting today, Annette will be putting *Interest Sheets* out on the Hall Table. These sheets will be filled with things you'll want to know concerning our upcoming Tour. *Read & be "in the know!"*
