## NOTES

January 31, 2010

### “MO” Talk

BOB MORRISON ..... MINISTER OF MUSIC

*Due “Last Sunday” . . .*

## 2010 Tour Deposit!

We had 30-plus pay their Tour Deposit of \$150 last Sunday...*on time!* That means about that same number of folks forgot to bring their deposit. Make sure you get that turned in pronto (today) so we'll have the exact number of folks to plan for in our activities while on Tour. Give check (made out to FBCP) to Annette.

### Surrender Sings on Next Sunday, FEB 7. . .

We'll rehearse again tonight with sound on the piece we do next Sunday, Feb. 7. Know, also, that you'll need to rehearse with orchestra this Wednesday night at 5:45-6:00 in the choir room. In addition to singing in the Mid-Morning Service, we'll also sing in the Early Service; here we'll sing a cappella (same song, though).

LOOKING AHEAD: The next time Surrender sings after Feb. 7 is on Sunday, Feb. 28.

### Choir Working Toward MARCH 7 . . . .

We sing in the mid-morning worship on this date, and we'll for sure want "on hands on deck!" This is one of only three times we sing before choir tour, so we're asking every member to do what's necessary to be in your place in the choir loft. Let's make a positive contribution to this time of worship.

LOOKING AHEAD: The next time the Choir sings after March 7 is April 18.

### BELLS' AUDITIONS CONTINUE!!!

So far we have "8" who have joined Chapel Bells this year. That means we need "5" more! Let me encourage you music readers in our choir to give serious consideration to auditioning for Bells today following our choir rehearsal. I promise you'll never do anything more satisfying or gratifying than ringing in Chapel Bells!
