Together Again . . .

THE SANCTUARY CHOIR & ORCHESTRA

I'm so proud of the way the **GO YE Choir & Orchestra** and the **HERE YE Choir** served in their separate roles over these past few weeks! Without a doubt, the Sunday morning services during our two Sundays away were ably led by the **HERE YE Choir**; a big "thank you" goes to those regular Sanctuary Choir members - as well as to our "proxies" - for keeping the home fires burning (musically speaking). And you must know that the **GO YE Choir & Orchestra** represented you, First Baptist Church, and our God in a wonderful way as they shared the Good News through their concerts in Europe; each one seemed to just get better and better. It's pretty amazing that you guys can field two capable choirs at once!

Now . . . having said all of that, let me say how great it is to have everybody back in the same room, at the same time, acting as one big happy "musical" family. I'm excited about tonight's rehearsal, and pray that you're ready to sink your teeth into working back up some old favorites, as well as a new tune or two. Let's get to it!
