It's In "Your Honor" . . .

## New Members Reception Tonight

We welcomed several new and returned members throughout the past few months in both our Sanctuary Choir and Orchestra groups, and tonight we want to "party" a little while in your honor! It'll happen immediately following the combined rehearsal time of the choir & orchestra.

So come on down to the lower Atrium and enjoy some great fellowship and refreshments for a while. After the Reception, the choir will return to the choir room to finish out their rehearsal.

Holy Week Music Draws Near . . .

- **Palm Sunday, March 28** - Already we've started work on our special music for this important start to Holy Week. We do *Blessed Is the King of Israel* and *One Holy Lamb*, two great ones to highlight the events during Jesus' final week on earth.
- **Easter Sunday, April 4** - This day is all about celebrating the Risen Lord! We open up with the choir/organ/brass arrangement of *Christ the Lord Is Risen Today*, the orchestra does an exciting arrangement of *Easter Song*, and the choir & orchestra do the meaningful *I've Just Seen Jesus*. Everyone is asked to be faithful to both Palm and Easter Sundays as we recognize all of Christendom's most significant "holydays."

GO YE Rehearsals Start Next Month . . .

- **GO YE! Rehearsals Begin in April for the Choir, & May for the Orchestra** - A detailed rehearsal schedule will be forthcoming soon, but for now, know that choir starts on Wed nights in April from 8:00-9:00, and orchestra begins in May on Tues nights at 5:30.
