## March 2020

## A Note from Dave

Springtime is creeping into our lives. In a season full of allergies and flu like symptoms, my prayer is for you to overcome a change of seasons. This time of year can be exciting for many. The hint of warm weather approaching is a reminder of God's goodness. Of course, the hot weather of summer is not my personal favorite...but I sure do like Spring! I love seeing people outside and experiencing life together. I love moments made with family and friends. Of course, I'm happy for baseball to begin. (I'm sorry, just had to put that in here).

March is a month that may involve traveling for many. If you find yourself away from FBCP, find a church nearby and worship! I'd love to hear stories of what you experience while away from Pensacola. I always enjoy reading other church bulletins. The kingdom of God is larger than just our zip code. Take this as a friendly encouragement from your pastor to make corporate worship a priority...especially if you find yourself away from us.

A note to parents...your children will model what they see in you. Making a joyful commitment to the local church is a great way to teach your children the importance of your faith. I'm praying for the name of Jesus to be lifted high in every family unit of our church! Let's join together and make this month one worth remembering. Let us guard against the temptation to place the church as a bottom priority.

Please take a few minutes and read what is happening in the life of FBCP. Don't ever hesitate to reach out if you have any questions or prayer needs. Let's enjoy March together. Thank you for being part of FBCP.

I love being your pastor.

Dave
